

A Tradition of Fencing Solutions

# OxStand

Temporary Fence Panel Stand

## Jobsite Safety & Security

As a leading supplier of fence solutions, Master Halco is dedicated to providing a broad range of products that support your business and help drive success.

### Introducing **OxStand**

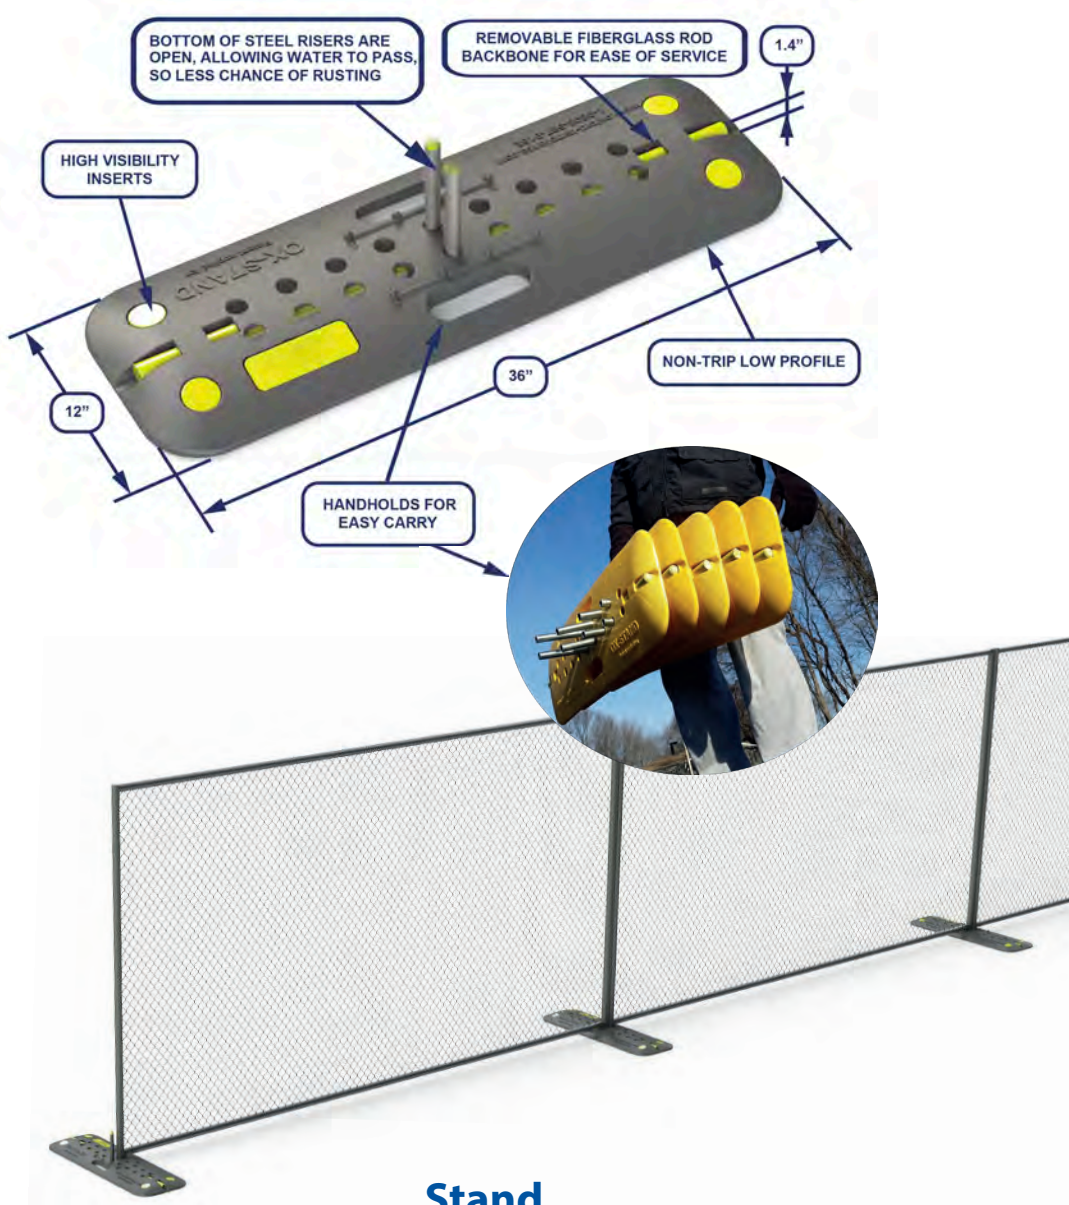

Developed in collaboration with leading contractors, OxStand features the following benefits:

- *Low profile provides less trip hazard*
- *Made of durable high-density polyethylene*
- *Fiberglass rod backbone provides added strength*
- *Handholds for ease of carrying and storage*
- *High visibility inserts*
- *Quicker & easier to stack for storage, transport & deployment*

Master Halco is offering these innovative temporary fence stands, that improve your productivity and profits, and lead to a safer job site.

## Stand

Part#	Description	Weight Ea.
012128	1 3/8" New OxStand	7

## What Contractors that use OxStand have to say...

"I bought OxStand because I thought it would be a safer alternative to tube stands. Now that I've put them on jobs, I have learned about some added benefits.

OxStand is far more durable than tube stands. Best of all, my customers like them because they virtually eliminate the trip hazard.

I will be adding more OxStand to my fleet!"
