

Remington Residential Fence™

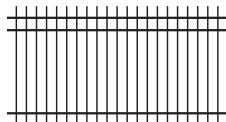

Ornamental steel at an economical price.

Picket Style, 2 Rail

Black powder coated, welded panel, 21 pickets, with pre-installed picket plugs. Pickets are 5/8", 18 gauge. Rails are 1"x1", 16 gauge, tubular.

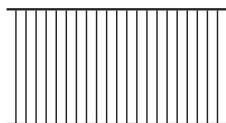

Part Number	Width (ft.)	Height (ft.)
595812	8	4
652022	8	5
595822	8	6

Picket Style, 3 Rail

Black powder coated, welded panel, 21 pickets, with pre-installed picket plugs. Pickets are 5/8", 18 gauge. Rails are 1"x1", 16 gauge, tubular.

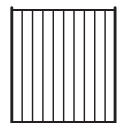

Part Number	Width (ft.)	Height (ft.)
652092	8	4
652102	8	5
652112	8	6

Universal Style, 2 Rail

Black powder coated, welded panel, 21 pickets. Pickets are 5/8", 18 gauge. Rails are 1"x1", 16 gauge, tubular.

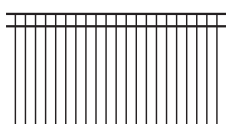

Part Number	Width (ft.)	Height (ft.)
595802	8	4
652002	8	5
652012	8	6

Universal Style Gate, 2 Rail

Black powder coated, welded gate. Pickets are 5/8 inch, 18 gauge.

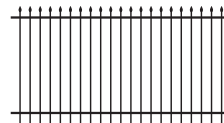

Part Number	Width (ft.)	Height (ft.)
652242 (Est. Q2)	4	4

Universal Style, 3 Rail

Black powder coated, welded panel, 21 pickets. Pickets are 5/8", 18 gauge. Rails are 1"x1.25", 14 gauge, U-channel.

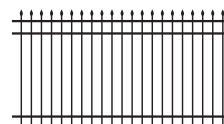

Part Number	Width (ft.)	Height (ft.)
652062	8	4
652072	8	5
652082	8	6

Spear Style, 2 Rail

Black powder coated, welded panel, 21 pickets. Pickets are 5/8", 18 gauge. Rails are 1"x1", 16 gauge, tubular.

Part Number	Width (ft.)	Height (ft.)
652032	8	4
652042	8	5
652052	8	6

Spear Style, 3 Rail

Black powder coated, welded panel, 21 pickets. Pickets are 5/8", 18 gauge. Rails are 1"x1", 16 gauge, tubular.

Part Number	Width (ft.)	Height (ft.)
652122	8	4
652132	8	5
652142	8	6

Post with Flat Cap

Black, 16 gauge.

Part Number	Description
595832	2 in. x 2 in. x 72 in.
652152	2 in. x 2 in. x 84 in.
595842	2 in. x 2 in. x 96 in.
652232	2 in. x 2 in. x 108 in.

Gate Ends with Flat Cap

Black, 16 gauge.

Part Number	Description
652182	1.25 in. x 1.25 in. x 48 in.
652192	1.25 in. x 1.25 in. x 60 in.
652202	1.25 in. x 1.25 in. x 72 in.

Hardware

652172

151932

Part Number	Description
652172	Rail bracket with self-tapping screw
151932	Universal bracket with bolt (Universal 3 rail style only)

Accessories

Part Number	Description
652252 (Est. Q2)	Gate Hardware Kit
936842	Spray Touch-up Paint (Black)

Remington Residential Fence™

Ornamental steel at an economical price.

Coating

Pre-treatment

All fences are given an 8-stage treatment process that cleans and prepares the metal substrate to assure complete adhesion of the powder coating.

Stage **1** Degrease twice and rinse five times

Stage **2** Condition the surface to assure adhesion of the phosphate zinc

Stage **3** Apply phosphate zinc to form an amorphous structure on the metal substrate for superior powder coating adhesion

Stage **4** Water Rinse

Stage **5** Seal applied for added corrosion protection and improved adhesion

Stage **6** Drying oven

Stage **7** Powder Coating

Remington products are given a polyester based powder coat during the spray process that is both TGIC and UV-proof.

Stage **8** Curing Oven
